Dolo, walk right in got my squeeze in
Slapping straight shot, squeeze two lines
Squeeze her ass one time she fine
Got a main squeeze, side squeeze too
Are you my main squeeze, slide 'fore I squeeze you
Main will be hundred how you bees on a label
Drain a main vein, gon' squeeze on a nigga
Now she squeezing me
Nigga I got your squeeze with me

I got my squeeze on me

And she gon' squeeze for me
Don't make her squeeze on you
Don't make her squeeze on you
Don't make me squeeze on you
