You-You was home with mommy eating jello

Heavy metal, that's all I know (whoa)  
Whoa, drop the beat  
Let the strings play (strings)  
You know me, I play the streets, I let the strings play (strings)  
Orchestrate with a baton, 'case I gotta get hands on (what)  
Move silent, acoustic guitar in the trunk (oh)

Pull strings, I pull strings  
Pull strings, I pull strings  
I pull strings  
I pull strings  
Pull strings, that boy pull strings (ay, yeah)  
Pull strings, I pull strings (uh)

Say Rocko a key player, all I wanna do is pull strings  
Maria, maria I pass on to him, quarterback  
By losing it, I pull up your game  
Just send me your quarter back  
Playing avenger, when on the call on my porch  
Still in the game, just not in the field  
I jet coach (I jet coach)  
Umpire, I call the shots  
I don't keep score (no)  
More stress on the referee though, you already know (what)

Pull strings, I pull strings  
Pull strings, I pull strings  
I pull strings  
I pull strings  
Pull strings, that boy pull strings (ay, yeah)  
Pull strings, I pull strings (uh)  
Pull strings, I pull strings (yeah)
