

Yesterday

Rocko

Haah!
Haah!
Yep

I been turnt since yesterday
Got bad bitch from yesterday
I ain't looking back fuck yesterday
We getting money like every day

All these bitches with me counting all this money
30 racks the roley ain't got no time for that broke shit
Got a bad bitch that's [?] and a ratcheted bitch that's foreign
Bank roll full of hundreds and I'm bout to blow me a hundred
Cause I blew 20 like yesterday
You know yesterday!
I got head today but I fucked her like yesterday
Young rich nigga you ain't no rich nigga
Get mad at me cause I'm riding round with yo bitch nigga
Cause all I know is turn up
Cause all I know is turn up
Cause all I know is getting money and getting paid

I been turnt since yesterday
Got bad bitch from yesterday
I ain't looking back fuck yesterday
We getting money like every day

Day I made me a hundred K
Ain't been to sleep in a hundred days
Had this shit on yesterday wait till you see me tonight
Ima wear the shit I bought yesterday drive the cars that come out next year
Ima turn up so hard on these bitches talking bout shit next year
Everyday is a hustler day sunday through sunday
Sold 2 straps on tuesday getting geeked up since monday
That's yesterday maybe day before I don't know
Hit the club turn up every day only off on christmas like it's a mary day
Christmas night I'm on the stage rapping shit bout shit from yesterday
Reader another city streets been with me since yesteryear they love me cause
I'm one a them
Tell ya'll we we messed up
Went to the doc yesterday told him I got my cheque up

I been turnt since yesterday
Got bad bitch from yesterday
I ain't looking back fuck yesterday
We getting money like every day

I pull on up you with my chevy smelling realest
You try to play me ima have to pull the triggers
I got them keys and I ain't talking bout no limits
And no I never trust em cause they might just catch me slipping
I done been up since yesterday
Fucked your bitch yesterday
Spent a rack like yesterday I got it right back yesterday
I swear tomorrow ain't promised thank the Lord I made it through yesterday
I done been through all them hard times I'm just trying to see better days
Hey I got your bitch up in the crib you know she naked

I told that bitch go get my money in a second
The way that she be on her knees she need a blessing
I gotta get that money back and no I don't regret it

I been turnt since yesterday
Got bad bitch from yesterday
I ain't looking back fuck yesterday
We getting money like every day
