

Grow Up

Rockwell

I just want you to understand
That I love you
There's so many things I want you to know
And, look, you just have to grow up
If you want some of this

You're standing with your ear against the wall
Conveniently forget to say who called, oh baby
You scream out for attention like a child
And flirt with all my friends to drive me wild
No, there's really nothing wrong with you

All you gotta do is grow up, babe
Act more like a woman
Grow up inside your mind
Grow up, babe, ooh yeah
And you'll be mine

You gossip with the girls behind my back
Exaggerate my faults and twist the facts
Every time I leave, you start a fight
But when I stay at home, you fuss all night
It's so hard for me to deal with you

All you gotta do is grow up, babe
Act more like a woman
Grow up inside your mind
Grow up, babe, ooh yeah
And you'll be mine

Grow up, babe
Act more like a woman
Grow up inside your mind
Grow up, 'cause, girl, don't you know
That you'll be mine?

Grow up, babe
Act more like a woman
Grow up, ooh oh, inside your mind
Grow up, babe, ooh yeah
And you'll be mine

Oh, don't you know all you gotta do is (Grow up)
Don't make me out to be someone so cruel (Grow up)
I only want to make it work with you (Grow up)
But if you play these games, we both could lose

(Grow up)
You gotta learn to trust me, girl, somehow (Grow up)
'Cause I could put an end to all your doubts (Grow up)
I'll show you what true love is all about
Can we talk here?

Grow up, babe
Act more like a woman
Grow up inside your mind
Grow up, girl, don't you know

That you'll be mine?
Don't you know?

Grow up, babe
Act more like a woman
Grow up, ooh oh
