

## These Old Clothes

Rocky Votolato

We must begin, what have I done?  
What if the man's all wrong?  
Safest places of every one I know  
And my own

It's a pass dive, man use yours  
Smells one out of these old clothes  
It's hard to remember than ever before  
One can't forget, there's no better cure

It's better if we don't think about it  
It's better if we just close our eyes  
It's better if we don't think about it  
It's better if we just smile, everyone else does

Think I'll lay down for a while  
Get today off my mind  
Think I'll lay down for a while  
And I'll get today off my mind

All this means one in a million  
Wish I could break out of this shell  
Looking like everything I hate  
So mates, sleep in this cell

It's better if we don't think about it  
It's better if we just close our eyes  
It's better if we don't think about it  
It's better if we just smile, everyone
