

Some Kind of Wonderful

Rod Stewart

I don't need a whole lot of money
I don't need a big fine car
I got everything that a man could want
I got more than I could ask for
Not told not to run around
I don't have to stay out all night
'Cause I got a sweet, sweet, loving woman
And she knows how to treat me right

Well, my baby, she's alright
My baby, clean out of sight

Don't you know that she's some kind of wonderful
Ha, some kind of wonderful
Yes, she is

When I hold her in my arms
You know she sets my soul on fire
Ooh, when my baby kisses me
My heart becomes filled with desire
When she wraps her loving arms around me
It just about ties my mind
When my baby kisses me
Ooh, chills up and down my spine

Well, my baby, she's alright
My baby, clean out of sight

Don't you know that she's some kind of wonderful, alright
Some kind of wonderful
Some kind of wonderful
Yes, she is

Now, does anybody out there's got a sweet little woman like mine?
(I've got a sweet little woman out there)
Could I get somebody, somebody
With a sweet, sweet woman like mine?
(I said I had a sweet little woman like you)
Now listen to me a-one time

Can I get a witness?
Can I get a witness?
Can I get a witness?
Oh, I need a witness, no
Can I get a witness?
Oh, a witness
Can I get a witness?
Play some guitar here for me one time
Oh yeah
Watch this
Some kind of wonderful
Some kind of wonderful
Some kind of wonderful
Oh yeah, oh yeah
