

When I Fall In Love

Rod Stewart

Maybe I'm old fashioned feeling as I do
Maybe I'm just living in the part
But when I meet the right one, I know I'll be true
My first love will be my last

When I fall in love it will be forever
Or I'll never fall in love

In a restless world like this is
Love is ended before it's begun
And too many moonlight kisses
Seem to cool in the warmth of the sun

Oh, when I give my heart it will be completely
Or I'll never give my heart
And the moment I can feel that you feel that way too
Is when I fall in love with you

In a restless world like this is
Love is ended before it's begun
And too many moonlight kisses
Seem to cool in the warmth of the sun

Oh, when I give my heart it will be completely
Or I'll never give my heart
And the moment I can feel that you feel that way too
Is when I fall in love with you
