

Uh, uh-uh, uh, uh  
Oh, do you do this often?  
I know it sound wrong, like, everything I left in Maryland  
I just don't wanna see myself anymore, I don't  
They, like, they say they miss me and shit, shut up, for real, like,  
man  
Look, 'kay

DJ, run it back, play my song in this bitch  
Vibin' like I'm alone in this bitch, mm  
Tit for tat, I got your back, was I wrong for that shit?  
Tell me, is we too grown for that shit? Uh  
I wanna lock it in, baby, no weighin' my options  
Wanna travel, see the world, gettin' drunk on an island  
Wanna settle, start a family, so tell me about it  
And you so perfect, baby, don't give nobody that body (Okay)  
Social anxiety, I fear  
And I done been this way for some years  
I don't really get along with my peers  
Everything that they do to me is weird  
So in a world full of weirdos, fools, and scrubs  
Tell me, what is it you're willin' to do for love?  
You know it's true that the datin' pool is fucked  
Ain't nobody out here, baby, it just be us  
And I know, and I know, and I know, and I know a broken heart when I  
see one  
And I feel, and I feel, and I feel, and I feel like I love you more  
Did you know? Do you know? Did you know? Do you know I'm a shoulder i  
f you need one?  
When I feel what I feel, keep it real, what's the deal? I'm ready for  
Oh, somewhere we could be alone, you and me alone  
I remember bein' twenty-one when my life had just begun  
Twenty-two, many things to see and do  
Twenty-three, lookin' forward to twenty-four  
Is it just me or it ain't no love no more?  
Twenty-five, what a time to be alive  
Am I getting old? Why do I feel tired?  
All the same old things, the same old games  
Same old pain, think it's time for a change 'cause  
Certain shit ain't like me no more  
Certain shit don't excite me no more  
It don't excite no more, no  
It ain't like me no more  
No more, no more  
No, no, no, no, no  
Certain shit don't excite me no more  
Shit ain't like me no more  
This ain't like me no more, no  
It don't excite me no more, uh
