

(Coco, this your season right now)

Wake up and get straight to that money, I can't wait for nothin'
' (Oh, yeah)

Long as I keep this paper comin', they can't take shit from me
Eviction letters traumatized me even though it's sunny

I know the drought is always coming

God came to see me in my cell, He seen my heart was pure

Hard to be vegan when you surrounded by carnivores (Yeah)

Lions, tigers, and sharks in they darkest form (I seen 'em in t
hey darkest form)

In they darkest form

Trapped in the trenches, oh (Trapped in them)

So many days, so many hours, so many minutes

So many niggas ain't get to make it, it's amazing that I made i
t

How I come out dry? It was storming and raining

I brought the Maybach through the hood to see they faces (Yeah)

I used to look up to them niggas, now they hating, it's crazy

You knew me since a baby, knew me since a child

You know I deserve this life, 'posed to be proud of me

Yeah, be proud

Uh, they keep throwing dirt on top my name, yeah (Yeah)

All you niggas ought to be ashamed, yeah (Yeah)

I could stop this rapping shit today (Uh)

Just can't take back the history we made (Yeah)

Even though the deck was stacked on me (Yeah)

And the odds was against me

No chance of winning

We still came out better

Still came out better (Yeah, yeah, yeah)

I thought it'd be smiles on they faces

Tears coming out they eyes

Hearing congratulations

But they make it no better

Yeah, they make it no better, oh

Oh, oh, oh
