

## Changing

Rod Wave

(Pipe that shit up, TnT)  
I know this gon' make you mad, shit like that  
This just how I feel  
I'll trade all the shit I have  
I be goin' crazy

I was on my way to the show and it finally hit me  
I don't wanna be here no more, Lord, come and get me  
No, I ain't ready to die like I'm Biggie  
Just wanna jump in my car, fill it with gas, and go far and not  
look back  
I walk in the mall with ten thousand on me (Yeah)  
I don't see nothing I want (Yeah, yeah)  
It don't excite me no more, these streets just ain't like me no  
more  
I think it's safe to say, I finally understand my big brother  
Or why he left his family and why he kept on runnin'  
That shit can cause insanity when problems keep on comin'  
Plus, we come from out the struggle, nobody gave us nothing  
But, it's a different story for me  
It seems, I got everything that I ever dreamed (Yeah)  
But I can't find no peace  
Say he got everything he wanted  
Cars, clothes, and money, but nobody I can trust in  
Lord, I got a question, is Heaven real?  
If so, then why you kept us here?  
Uh, okay

Smiling but dying inside (We dying inside)  
What if I said I was tired? (What if I said I was tired?)  
Would you blame me? (Would you blame me?)  
Would you hate me? (Would you hate me?)  
Safe to say I'm changing (Yeah)  
I can feel me changing (Yeah)  
Safe to say I'm changing  
Safe to say I'm changing (Yeah)  
I can feel me changing (Yeah)  
Safe to say I'm changing  
Safe to say I'm changing (Yeah)  
I can feel me changing (Yeah)  
Safe to say I'm changing  
Safe to say that I'm changing  
Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah  
Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah
