

## Cold December

Rod Wave

Started the tour out in Denver, Colorado  
I made the first one but I did not make the second show  
Yeah, uh

It's safe to say I been this way since I was eighteen  
The same night I fall in love, I feel it fading  
Who can you love, who can you trust now that you're mainstream?  
Don't want no love, don't got no trust, I feel me changin' (Yeah)  
Sometimes I think about my high school sweetheart (Oh-oh-oh)  
But times change, people change and grow apart  
I fell so hard and fast for Dee, I wanna start a family (Family)  
She show resentment, she got pregnant, and she felt abandoned (Oh-oh-oh)  
That shit with what's-her-name was faster than I had planned it (Oh-oh-oh)  
She moved away from San Diego, livin' in Miami (Miami)  
We caught a flight to Puerto Rico, she was sweet as candy (Candy)  
She just ain't know she had my heart before the plane landed (Yeah)  
And by the time I got home (Oh-oh-oh), I just wanted to be alone  
I met Brianna through Kearra, they were the best of friends (Oh, oh-oh-oh)  
She turned her head, and we moved up just like the Jeffersons (Yeah)

I need your all each and every day (Oh), if I can't then I'll fade  
And I don't mean to rush, but I easily fall in love (Yeah)  
Uh, in my head I know that that ain't right  
But I believe in first sight, yeah  
We can fall in love right here tonight  
Run away and be together for life  
No more cold Decembers, lonely cold Decembers  
No Decembers, lonely cold Decembers (Yeah)  
No more Decembers, lonely cold Decembers (Yeah)  
Cold Decembers (Yeah), lonely cold Decembers, yeah

Mmm (Grrah), yeah  
Uh, uh-uh, yeah  
Uh, uh, uh-uh, yeah  
But I OD'd in Denver and I just can't remember her name  
I guess you could say that my love life was not up to par  
Too many nights alone had left some permanent scars  
She told me she'd love me and I told her that I'd do the same

Then I OD'd in Denver and I just can't remember her name  
Then I OD'd in Denver and I just can't remember her name  
I brought it on myself and I guess that I shouldn't complain  
Doc said, "Son, you can't do anymore of that cocaine"
