Baby, when you gonna see (Yeah-yeah)
I can be the man of your dreams (Dreams)
When you gonna let it go? (Let it go baby)
We know you wanna let it all be free (Be free)
All the things you don't need (Yeah-yeah)
All of the things you don't need
Yeah, you don't, you don't need
All of the things you don't, you don't, you don't (Don't play with him)

Bently GT, put you in a G-Wag' '63
Tell me how you feel I be a shoulder to lean
Probably never find another like me
How you feel, baby? And, when you tell me, just keep it real, baby
[?] feel whenever we chill, baby
I don't feel like your friends, your friends
I feel like I love 'em, maybe
To be honest, girl, you could do better
They be tryna get in, bu, don't let 'em
And I [?] the day that she met me
She was already there when I met her
And I know this shit get crazy
Let's storm out the weather
Thug loss, she forever
I can make a nigga start loss forever

Baby, when you gonna see (Yeah-yeah)
I can be the man of your dreams (Of your dreams)
When you gonna let it go? (Let it go baby)
We know you wanna let it all be free (Don't play with him) (Be free)
All the things you don't need (Yeah-yeah)
All of the things you don't need
Yeah, you don't, you don't need
All of the things you don't, you don't, you don't

You don't, you don't
You don't, you don't, you don't
