

Having My Way

Rod Wave

Ayy-ayy-ayy-ayy, ayy, that's probably Tago
Pipe that shit up, TNT
Golden Grams
Uh
Ayy, yeah
Havin' my way with this shit
Havin' my way with this shit
Look, look, look

Havin' my way with this shit, huh, havin' my way with this shit
I'm havin' my way with this shit, havin' my way with this shit
Brand new Skydwellers, them brand new Margielas
Keep my feet on they neck, young nigga I chase checks
I'm havin' my way with this shit, huh, havin' my way with this
shit
I'm havin' my way with this shit, huh, havin' my way with this
shit
Pure codeine, got me, blew my seed, I been
Rollin' all week, I been, rollin' all week, I been

Havin' my way with this shit
I had my way with your bitch
Ain't even play with the bitch
I did my thing then I dipped
I got my cash up
I got my bag up
My drip, big drip, got swag up
Niggas tryna see how we passed 'em
Hit the mob boss with a cool quick twenty
Hit the mall and I ball, don't know how I did it
Headed to the top, got the whole clique with me
Slide through the city, got a four-nick with me
Jim Carrey dumb, but I can go dumber
Hundred thousand ones, it's gon' rain all summer

Havin' my way with this shit, huh, havin' my way with this shit
I'm havin' my way with this shit, havin' my way with this shit
Brand new Skydwellers, them brand new Margielas
Keep my feet on they neck, young nigga I chase checks
I'm havin' my way with this shit, huh, havin' my way with this
shit
I'm havin' my way with this shit, huh, havin' my way with this
shit
Pure codeine, got me, blew my seed, I been
Rollin' all week, I been, rollin' all week, I been
