

I don't wanna waste your time  
And I don't wanna waste my time  
I can ease your mind  
But I can't read your mind  
Can you tell me something cause  
I don't wanna fall in love off of assumptions  
I just wanna be the one that you trust in  
I just wanna be the one you fall in love with  
Am I bugging?  
Tell me am I bugging?  
Tell me am I bugging?  
Someone tell me am I bugging?  
Somebody tell me am I tripping  
I think that I'm addicted  
I share this stuff with pimping tell me who the fuck I'm kiddin  
g  
Somebody help I'm in danger  
I just gave my heart to a stranger  
Tell me I'm crazy cuz right now I'm feeling love sick  
Tell me something baby I'm giving up on this love shit  
To much like my daddy cause I can't let down my guard  
But to much like my momma when I love I love hard  
I don't wanna waste your time and I don't wanna waste my time  
I can ease your mind but I can't read your mind  
Can you tell something cause I don't wanna fall in love off of  
assumptions  
I just wanna be the one that you trust in  
I just wanna be the one you fall in love with  
Am I bugging?  
Tell me am I bugging?  
Tell me am I bugging?  
Someone tell me am I bugging?  
Am I bugging
