

Lonely

Rod Wave

You can't listen to the internet
'Bout what love is 'cause they don't know
You really love somethin', you'll let it go
And then if it come back, that's how you'll know
You can only borrow what's yours
Nobody can't take what belong to you
Try that shit again
I wanna be the one that you are thinkin' of
The one that brightens your day
Because there's nobody else
That can do the things you do forever
I'll be there for you
So when you feel the need to love
Let me be the one you're thinking of
Because I will make it so right
Forever and ever
I will always be there for you

Back to back love makin', come here girl, let me taste it (Aah, aah)
Know that I really love you, I fuck it just like I hate you
Niggas be in the way, in your ear, keep tryna take you
Tell them it's too late for all that
Singin'-ass nigga, NBA contracts (Brr)
Ballin' like I play for Boston (Ah)
Remember we had love, then we lost it
I know we'll find it again
When we was lovers, we was friends
I got your back until the end
You got my heart, I can't pretend
Can't take back what I did (Aah)
You did what you did
I did what I did
Shit, it is what it is (Feel me), uh
And soon as I get home, it's gon' be work time (Lotta work time)
You know we like to fuck like it's our first time (Like it's our first time)
It ain't nothing in these streets
I'm tired of thuggin' in these streets
You tired of runnin' in these streets
So what's up with you and me

No (No)
Are you lonely, lonely?
Are you lonely?
Ah, aah-aah
Lo, lo, lo

And I know that they tryna take you from me
I know this your song, I'ma sing it for you
I know this your song, I'ma sing it for you
Sing it for you, sing it for you
They'll never be and they don't know
It never really mattered for me
Aah-aah, ayy, yeah
No, ayy, yeah, ah
Always in your ears tryna take you from me
I know this your song, I'ma sing it for you

Are you lonely? I'm lonely
Yeah, ah, yeah, yeah, yeah, yeah
