

# No Weakness

Rod Wave

(Trillo Beats, you did it again)  
(DMac on the fuckin' track)

Every time I leave, she beg for me to stay  
But baby girl, I can't  
I run the streets all night, run the streets all day  
Run the streets all day  
And me don't want love, love is for the weak man, yeah  
Me cannot trust, me cannot depend

Yeah, yeah (Okay)  
Yeah, oh  
Yeah, yeah, yeah  
Yeah, mhm

Somehow I keep on losing all my friends  
I came to the conclusion it's not them  
Where do I go to get some peace? Tossing, turning when I sleep  
Change my number every week, I got some pain that's running deep, yeah  
I don't shed tears anymore, 'cause love don't live here anymore  
I'm sorry, baby girl, I got to go, whether if you like it or you don't  
'Cause I've been here too many times before, yeah  
I wonder when they look at me, yeah  
I wonder what they see  
Wondering if they can see the pain underneath  
Wondering if they can see the change I increased  
Brother really swang it for me  
We tear down their whole gang when it's beef  
Leave a nigga brains in the street  
50K'll have 'em swangin' for weeks  
You better have that thang when they creep, yeah  
And I can't get no sleep, I got to stay up  
I'm in love with the streets, I can't lay up  
It's like I feel myself falling, then I wake up, up  
I'ma die a paper chaser  
My whole life, I been running, baby  
Like someone's coming, baby  
I have a hard time trusting, baby  
Can't trust for nothing, babe

And every time I leave, she beg for me to stay  
But baby girl, I can't  
I run the streets all night, run the streets all day  
Run the streets all day  
And me don't want love, love is for the weak man, yeah  
Me cannot trust, me cannot depend, yeah

Yeah, yeah  
Yeah, oh  
Yeah, yeah, yeah  
Yeah, mhm

(That nigga said, "Me don't want love, love is for the weak man"  
Hahaha, fuck is wrong with you?)
