

Numb

Rod Wave

He on that drank again
You can tell jit on that drank
He on that drank again, hahaha
Brrr, you know what I'm sayin', brrr
This boy got a hit

Whoadie on that molly, he can feel it in his chest
I traded my problems for Percocets
Took one sip and it turned into ten
Took one sip, he on that drank again
I been lost in my thoughts, I can't stop thinkin'
Lost in a cough, I can't stop drinkin'
Phone keep ringin', need me to break, uh
I'll stop, but just not today

I don't wanna feel my face, I don't wanna feel my face, look
I don't wanna seal my fate, but I don't wanna feel my face, look
I can't feel my face, I can't feel my face
I don't wanna feel my face, I don't wanna feel my face, look, look, look

Bro put that molly in his body and he rollin'
Your favorite rapper don't do drugs, he be trollin'
All in class off that gas, they don't know it
I'm all in class off that gas, they don't know it
Okay, I'm geeked again, I can't sleep again
On that drank again, now I can't think again
I'm in Pluto, I'm in Mars with the aliens
I pray to God tomorrow I feel my face again
It's heartaches and headaches lately
Tryna shake the pain but I can't take it
Tryna shake the pain but I can't take it
Mary jane, tell me if you love me, baby

Whoadie on that molly, he can feel it in his chest
I traded my problems for Percocets
Took one sip and it turned into ten
Took one sip, he on that drank again
I been lost in my thoughts, I can't stop thinkin'
Lost in a cough, I can't stop drinkin'
Phone keep ringin', need me to break, uh
I'll stop, but just not today

I don't wanna feel my face, I don't wanna feel my face, look
I don't wanna seal my fate, but I don't wanna feel my face, look
I can't feel my face, I can't feel my face
I don't wanna feel my face, I don't wanna feel my face, look, look, look
