

# Pieces

Rod Wave

Wasn't ready for it all  
Autumn came and all the leaves, they had to fall  
I've been waiting for a call  
Just to be close to you  
(B Squared beats)  
Do you know what it's like to  
Lose somebody like you?  
I hear you when the wind blows  
It follows me where I go  
Do you know what it's like to  
Lose somebody like you?  
This shit don't feel right wrapped in my rage, oh (I hear you when the wind blows)  
Uh, uh (Will-A-Fool)

You know my life just like a book how I'm turning the page  
Reading our chapter hoping that I end in a change  
You know this shit don't feel right wrapped in my rage, oh, yeah  
You know I got you on my mind forever so often  
Looking back at it now, I can see how we lost it  
In the coupe behind tint on the way from New Orleans  
You know I miss you on my side, but I'm fucking with shawty  
But she gon' hate me when she find I'm the perfect pretender  
I tried to find another bitch, I just look for you in her  
And my hotel await in Houston, my happiness gone  
Don't want no company right now, just leave me alone  
I heard you found you a new friend, said they saw you in a Benz  
All the bitches out your city at my neck tryna get in  
I feel like it ain't fair you call it quits and get the Lyft  
It's too late in the game for me to find true love again

I'm so gone before you go (What up?)  
Think twice before leaving (Leaving)  
'Cause hearts do not break even (Even)  
Why am I still bleeding?  
Gave you your heart back  
Gave me mine back in pieces  
In pieces (No, no, no, no, no, no, no, no)  
In pieces, yeah, yeah, yeah  
I'm so gone before you go (Gone before you go)  
Think twice before leaving (Yeah)  
Hearts do not break even  
Why am I still bleeding? (Still bleeding)  
Gave you your heart back  
Gave me my heart back in pieces  
In pieces (Yeah)  
Pieces, oh (Yeah, yeah, in pieces)  
No, no, no, no, no, woah (In pieces, in pieces)  
Yeah, yeah, yeah (Yeah, yeah, oh)  
Yeah, yeah

I keep thinking 'bout the times we had  
Now I'm stuck here without you  
Wasn't ready for it all  
Autumn came and all the leaves, they had to fall  
I've been waiting for a call  
Just to be close to you
