Rod Wave

(Pipe that shit up, TnT)  
(Dmac on the fucking track)  
Uh, uh, uh

And now I been all around the world  
I met all kinda girls (Yeah)  
I know they know just how to fuck  
But don't nobody know how you know how to make love  
Everybody need somebody  
When you find somebody  
I suggest you don't tell nobody (Yeah)

They be all in our business, tell them bitches they can leave us 'lone (Leave us lone)  
This world so cold, bae, I know you know not to treat me wrong (Treat me wrong)  
She say, "Before I cheat you, baby, I would leave you 'lone"  
Everybody be cheating but nobody wanna be cheated on  
Bae, we grown and I handle my business  
Don't be stereotyping, won't finish 'til you get finished  
See right after my show, baby, let me dive up in it  
You spend a ticket at Lenox and go to New York for Christmas  
She was singing that song hot and so long (So long)  
All these work days until I handle my biz' (Yeah)  
Swear that she the only bitch this dick get hard for  
She got on top and rode it, I went and bought a car for her

And now I been all around the world  
I met all kinda girls (All kinda girls)  
I know they know just how to fuck  
But don't nobody know how you know how to make love  
Everybody need somebody  
When you find somebody  
I suggest you don't tell nobody
