Rod Wave

(RellyMade)

It's just the thug life, baby

Come and take a walk in my shoes if you can  
Probably wouldn't stand a chance  
I'm from the bottom, it turn boys into men  
Up before the sunrise, catch me if you can  
And you know I'm with the gang wrong or right, yeah  
Willing to pay with my life, so if I don't make it home tonight

(RellyMade)

Bury me a gangsta

It's just the thug life, baby (Thug life, baby, you know me, yo u know?)

It's just the thug life, baby (Bury me a G, bitch, 'cause that's how I lived, you know? Straight up)

It's just the thug life, baby

It's just the thug life, baby, the bottom made me crazy  
Daddy gone and mama couldn't save me  
So hard times made me, I done spinned the block in my Mercedes  
Reminiscing on the times we didn't have shit  
Even was I broke, I knew that I wasn't average  
Mixed with passion, ain't no recipe  
This thug life shit might be the death of me  
And I say that selfishly (RellyMade)  
Because I'm grown now, kids of my own now  
Mama, hold on now, your baby boy strong now  
Money getting long now, got a reason to live  
They don't know the route that we took to get here  
'Cause where I come from, they ain't chasing a dream  
Where I come from, it ain't safe to believe  
Where I come from, it's a race to eighteen  
They jump straight off the porch and land straight in the stree ts, goddamn  
Heard you keep the glizzy in your pants, goddamn  
I heard you have plans to be the man, goddamn  
I won't let a nigga get a chance, thug life, bitch, until the e nd, end

Come and take a walk in my shoes if you can  
Probably wouldn't stand a chance  
I'm from the bottom, it turn boys into men  
Up before the sunrise, catch me if you can  
And you know I'm with the gang wrong or right, yeah  
Willing to pay with my life, so if I don't make it home tonight

(RellyMade)

Bury me a gangsta

It's just the thug life, baby (Don dadas with me, bitch, you go  
n' have to kill me, that's the only way you gon' stop me)

It's just the thug life, baby
