Told 'em stop the car and let me out, I seen the ass on her
Playin' mean, but she really sweet, my heart skipped a beat
In the club where I hardly could be, so I bring the party to me
Top floor, presidential suite and we fifty deep

If she tryna set a trap, then it's gonna work
I love you and all your baddie friends, boo, let's go to Turks
I don't want your Insta or your Snapchat
Add me on your finsta where you be bad at
She don't want no more love and I don't mind
She's here for a good time, not a long time

My friend told me, "Nigga, shut up, it's shot o' clock"

She's a vibe and her friend's a vibe and we 'bout to have some fun
Bad bitches 'round the world, better grab you one, oh
