I'm like nigga fuck that
I just spent a block and it was that
Hop out with that Glock, like get the fuck back
You know I know all the bitches love that, they love that
That's too true, who the fuck is me?
Nigga who you?
Who the fuck is she, and her crew too
Better tell yo man he'll lose you
He'll lose you, woah

Too true, better tell yo man he'll lose you
Too true playa from the Himalaya with some screws loose
And we well connected like the Bluetooth
And these too true
I just spent a block in my whats a name
Call the feder[?] cross the track, I went and grabbed my other
thing
I'm not these sucker rappers, I'll slap you if you try to snatc
h my fucking chain
You a actor and a capper, boy you better use your fucking brain

Your man is a dub he don't get no love
Your man is a dub he don't get no love
I ain't throwing no ones, I'm sorry baby
They paid me to come, I ain't come to party baby

Like fuck that I just spent a block and it was that
Hop out with that Glock like get the fuck back
You know I know all the bitches love that, they love that
That's too true, who the fuck is me?
Nigga who you?
Who the fuck is she, and her crew too
Better tell yo man he'll lose you
He'll lose you, woah
