

# No Rest

Roddy Ricch

I don't ever get no rest  
Working, I ain't even got a desk  
Popping bad hoes out of Catch  
Popping bad hoes out of Catch  
Playing outfield like the Mets (Play ball)  
Don't tolerate no disrespect (No way)  
Got to top good drank with X  
Nigga, I don't ever get no rest

Aye  
Watching my toddler, while he watching TV  
All money in money counter for a hundred  
When I'm outside, you can't even see me  
All the things you did, lil nigga, I done done it  
All we know is fuck the hoes and get the money  
She want me to fuck her four time, prob a hundred  
Work her out, make a bitch do lunges  
I been drowning in this water like plungers  
We at the top of the T.O.P  
Money can climb up to G-O-D  
You can never reach my P.O.V  
Niggas can't question me I'm PVCC  
Can't condone sucker shit  
Niggas know that I'm overly lit  
Why the fuck would I commit to a bitch  
New stones on my wrist  
Told her to give the pinky ring another kiss  
Looking like Cold Stones in this bitch

I don't ever get no rest  
Working, I ain't even got a desk  
Popping bad hoes out of Catch

Nigga, I don't ever get no rest

I don't ever get no rest  
I don't ever get no rest  
I don't ever get no rest  
I don't ever get no rest

I'm cold like ice  
And I never think about the price  
The inside the house look nice  
I only like red, I don't like Trish  
I was in the H, ridin' with the prince  
Run the money up, I been rich ever since  
Bust through the gate, I ain't straddle on the fence  
Open up her throat, get top, off rip  
Standin' out the way, I don't like it in the mix  
Suited and booted like I got a tux  
Had a birthday with Drake in the cut  
I'm lovin' the way that you fuckin' me baby  
I bought Shanaynay for the lust  
The Miami high-rise is luxury

250 on her furniture, luxury  
Got my dawgs on my back, got the city on my back  
You know they put they trust in me

I don't ever get no rest  
Working, I ain't even got a desk  
Popping bad hoes out of Catch
