Rollercoastin'  
Roller-roller-roller-roller-roller-roller-rollercoastin', mmm  
Roller-roller-roller-roller-rollercoastin', mmm-mmm, mmm-mmm  
Rollercoastin', mmm, mmm-mmm

Ayy, hop off a jet, hop to a check  
Get to the money, and then what's next?  
I'm tryna pack out a gymnasium  
Like yeah, if he was young  
Had a pornstar with the titties out, pussy out just for fun  
She like to go down South and her brain go dumb  
How you say want a nigga life, but you can't carry no tongue?  
That's why my dick inside her mouth and I get buried in her tongue  
'Cause you know that's what you need if you have a long day  
If she don't go both ways, then she go the wrong way  
I been holdin' down a culture I cultivate  
And it's really, really sad when I see it in your face  
I think, you rollercoastin'

Rollercoastin'  
Roller-roller-roller-roller-roller-roller-rollercoastin', mmm  
Roller-roller-roller-roller-rollercoastin', mmm-mmm, mmm-mmm  
Rollercoastin', mmm, mmm-mmm

Keep it rollin', rollin', rollin', keep it real as they come  
Been up and down so many times, they got these nerves goin' numb  
I got some niggas that go by "Murder", why they sip red rum?  
Red beams and green beams on the Glocks and all the K's  
My lil' nigga ride with extended mops on all occasions  
I ain't surprised by my baby mama, she don't amaze me  
They try to paint a picture of a nigga like I'm fugazi  
And run to the internet every time she feel crazy  
I try to pray to God, hopin' he will save me  
I ain't never come this far not to take care of my baby  
Gotta get my summer off, that's how my mama raised me  
I gotta stay involved even though they tryna jade me

Rollercoastin'  
Roller-roller-roller-roller-roller-roller-rollercoastin', mmm  
Roller-roller-roller-roller-rollercoastin', mmm-mmm, mmm-mmm  
Rollercoastin', mmm, mmm-mmm

(Good mornin', boofy, I pray all is well with you)  
(I'm praying you have a prosperous concert tonight)  
(Stay focused, know that your granny loves you)  
(And I might not be there in the flesh, but I am there in the spirit)  
(Love you, man, alright, talk to you soon)
