

# Mary Had A Little Lamb

Rodney Atkins

There was no room, only a manger  
Nothing but hay for a bed  
That's where she laid down His head

No sleigh bells ringing  
No decorations  
Just a mother and Child  
So tender and mild

That holy night in Bethlehem  
All the angels sang  
Mary had a little Lamb  
And Jesus was His name

That newborn Baby, our precious Savior  
Would someday wear a crown of thorns  
We're redeemed cause He was born

That holy night in Bethlehem  
All the angels sang  
Mary had a little Lamb  
And Jesus was His name

Jesus, Jesus

That holy night in Bethlehem  
All the angels sang  
Mary had a little Lamb  
And Jesus was His name

(Oh my Jesus)  
That holy night in the Bethlehem  
(The Prince of peace, the great I am)  
All the angels sang  
(From the line of Abraham)  
Mary had a little Lamb  
(Oh Mary had a little Lamb)  
And Jesus was His name  
Jesus was His name
