Oh it seems to me this whole world's gone crazy
There's too much hate and killin' goin' on
But when I see the bare chest of a woman
My worries and my problems are all gone
No one thinks of fightin', when they see a topless girl
Baby if you would show yours too, we could save the world

Show them to me, show them to me
Unclasp your bra and set those puppies free
They'd look a whole lot better without that sweater baby I'm su
re you'll agree
If you got, two fun bags,
Show them to me

I don't care if they don't match or ones bigger than the other You could show me one, and I'll imagine the other Even if you're really old, there's nothing wrong Don't be sad your boobs ain't bad, they're just a little long

Show them to me, show them to me
Lift up your shirt and let the whole world see
Just disrobe, show your globes and a happy man I'll be
If you got, dos chichis,
Show them to me

I've met a lot of them, but never one I've hated Even if you've had thirteen kids and you think they look deflat ed

There's no such thing as a bad breast, I believe this much is t rue

If you're a big fat man I'm a titty fan and I'd love to see you rs to

Show them to me, show them to me
Just like the girls gone wild on T.V.
Just lean back and show your rack and I'll be in ecstasy
If you got two casabas
Show them to me

All the world will live in harmony
It'll do you good, it'll give me wood, we'll make history
If you love your country, I'm gonna say it one more time,
I said if you love your country yea
Then stand your ass up and show them big old titties to me
