

I Don't Have to Crawl

Rodney Crowell

When you look at me
As if you don't know me
And you talk to me
Like you've never met me

I can leave you alone if I tried
If I tried I could tell you goodbye
If I wanted to I could be long gone

I don't have to be nobody's fool
Now I won't make no exception of you
I don't have to crawl
(I don't have to crawl)
I can just walk away
No, I don't have to crawl
(I don't have to crawl)
I can just walk away

~~~♪♪♪ ~~~

You make a move  
As if I should run to you  
You call on me  
As if I should follow you  
Well I don't have to get down on my knees  
I will not be a peasant to please you

I don't have to crawl  
(I don't have to crawl)  
I can just walk away  
No, I don't have to crawl  
(I don't have to crawl)  
I can just walk away

~~♪♪♪ ~

(I can walk away)  
I don't have to crawl  
(I can walk away)  
No, I don't have to crawl...
