

# I'm Ready

Rodrigo Amarante

You say we're the chosen ones  
And claim it's our only chance  
You take with you my son  
But you, where have you gone?  
The flag you shipped him home in  
Is fading

Now say something I don't know  
And spare me the honor play  
Said and done  
Short of some  
Somebody else's son  
Fills in

I'm ready  
I'm ready for the end  
You know why  
I'm ready  
Well it never goes away  
It turns out

The mill counts a minute pass  
The sill where the widows wait  
It's where it all begun  
His fort command his gun  
Oh god what have I done  
For him?

I'm ready  
I'm ready for the end  
You know why  
I'm ready  
Well it never goes away  
It turns out

I'm ready  
I'm ready for the end  
You know why  
I'm ready  
Well it never goes away  
It turns out

Quem na rua se perde  
Encontra o que pede  
Acerta o que mede  
E conta até errar  
Que o erro é onde a sorte está  
Não queira ver

Quem na rua se perde  
Encontra o que pede  
Acerta o que mede  
E conta até errar  
Que o erro é onde a sorte está  
Não queira ver
