

## In Time

Rodrigo Amarante

Be a friend of mine, stay away a while  
Be a friend of mine and let the silence ring  
Be away a while, 'til the kingdom comes  
Be a friend of mine

In time  
In time  
In time

If we don't know by now  
Well, we should by heart  
How to be around and how to be a part  
It ain't spelling why, for the reason how  
If we don't know by now, then

In time  
In time  
In time

I'll learn how to stay when you learn to leave  
So won't you dance to wind while I've been in the storm?  
Won't you dance to wind and stay away while?  
Be a friend to me and let the silence ring  
Be a friend to me and sing away the night  
Be a friend of mine

In time  
In time  
In time  
In time  
In time  
In time  
In time  
In time  
In time  
In time
