

Hate Myself

Roe Kapara

I've been feeling seasick, so exhausted
Thinking I might drown
I've been indecisive, stupid kid
That just can't leave the house

You were just too scared to tell them
You were ment for something else
Waking up too early thinking "I might
Really hate myself"

I've known it all along
But I could use some help
I think I hate myself
I think I hate myself

A bashful creature he's been
Screaming out for life
I've been like a menace, crashing
Thinking I need to realize
I've been feeling seasick, so exhausted
Thinking I might drown
I've been indecisive, stupid kid
That just can't leave the house

I was just too scared to tell them
I was ment for something else
Waking up too early thinking "I might
Really hate myself"

I've known it all along
But I could use some help
I really I hate myself
I really I hate myself

I hate myself
I hate myself
