

# Walking In My Sleep

Roger Daltrey

Lookin' 'round at all the faces  
I can see they're all the same  
Drifting shadows on the sidewalk  
Slowly walking in the rain  
The moon shines down she sees she knows  
And I follow  
Through rain and sun  
But you see I'm walking in my sleep  
And I don't know how I got here  
And when I try to keep the beat, you see I'm walking in my sleep  
Didn't know that I was dreaming  
Sunny days come out of midnight  
In the darkness of the evening  
Running softly from the light  
The moon  
Shines down  
She sees she knows  
The star the end  
The tide the flow  
The night so black it looks so real  
Am I awake  
Or am I dreaming still  
But you see I'm walking in my sleep  
And I don't know how I got here  
And though I try to keep the beat, you see I'm walking in my sleep  
And through this nightmare  
The dream unfolds  
I'm by a window  
The night so cold  
My mind my body  
My room this heat  
A drain is pouring  
Into the street
