

# Had A Dream (Sleeping With The Enemy)

Roger Hodgson

Had a dream  
I was born to be naked in the eye of the storm  
and now it's standing right in front of me  
what's it going to do to me, who knows  
Had a dream  
it was time to be taken to the front of the line  
well that is not a place you wanna be  
sleeping with the enemy, you know.

I don't care what the future brings  
give a damn about anything  
I'd be fine if they'd just leave me alone  
But it's time, gotta take a stance  
'cause I won't get a second chance  
And I know now I have to make it alone

Had a dream it was war  
and they couldn't tell me what it was for  
but it was something they could lie about  
something we could die about, you know  
Anytime, anyplace when you look that man in the face  
Well it is not a face you wanna see  
sleeping with the enemy, you know

Mary, can you hear me  
can you tell me what it's all supposed to mean  
holding out a photograph of all that I have seen  
I wish I could hold you, I wish I could hold you

Had a dream  
it was time to be a witness at the scene of the crime  
Well that is something you can analyze  
something you can criticize, who knows  
So we wait, hesitate and we're making such a mistake  
Oh whatever can the matter be  
sleeping with the enemy you know
