

Easy Does It

Roger McGuinn

Easy does it, easy does it
Don't try to force it
Or you might just divorce it
Easy does it

Easy does it, easy does it
If it don't feel just right
Don't try to jam it tighter
Easy does it

I used to push too hard
And lose it all of the time
But now I just relax
And watch you work and feel just fine

Easy does it, easy does it
Don't have to be a slave,
'Bout to put you in your grave
Easy does it
Easy does it
Easy does it
