

Sorry, Willie

Roger Miller

See her dancing see there Willie see how reckless she is
She's a wild one as everyone knows
Why what's wrong Willie you're cryin' what have I done
Sorry Willie I didn't know you didn't know
I wouldn't have said all those things that I'd known
She was your sweetheart your sweetheart your own
Don't ask how well I know her I might lie I don't know
Sorry Willie I didn't know you didn't know

I wouldn't have said...
