

## Any Colour You Like

Roger Waters

It's hard to understand  
Bombarded as we are by hard words  
Like molecules  
In an electron microscope  
Battered from pillar to post

Trade  
Men in suits  
Tactics and strategy  
Barter in the time of love

Soft skin  
A CAT scan slice of life  
A flag  
Any colour you like  
Blue and yellow  
Pink  
Red  
Black  
Rainbow  
Yeah, rainbow
