

# Me or Him

Roger Waters

You wake up in the morning, get something for the pot  
Wonder why the sun makes the rocks feel hot  
Draw on the walls, eat, get laid  
Back in the good old days

Then some damn fool invents the wheel  
Listen to the whitewalls squeal  
You spend all day looking for a parking spot  
Nothing for the heart, nothing for the pot

Benny turned the dial on his Short Wave radio  
Oh how he wanted to talk to the people,  
he wanted his own show  
Tune in Moscow, Tune in New York  
Listen to the Welsh kid talk  
Communicating like in the good old days

Forgive me father for i have sinned  
It was either me or him  
And the voice said Benny  
You fucked the whole thing up  
Benny your time is up  
Your time is up

Benny turn the dial on his Short Wave radio  
He wanted to talk to the people,  
he wanted his own show  
Tune in Moscow, Tune in New York  
Listen to the Welsh kid talk communicating  
Like in the good old days

Forgive me father  
Welsh Policeman: Mobile one two to Central  
For I have sinned  
Welsh Policeman: We have a multiple on the A465  
between Cwmbran and Cylgoch.  
Father, it was either me or him  
Father, can we turn back the clock?  
Welsh Policeman: Ambulance, over.  
I never meant to drop the concrete block,  
Welsh Policeman: Roger Central, over and out.

Benny turned the dial on his Short Wave radio  
He wanted to talk to the people,  
he wanted his own show  
Tune in Moscow, Tune in New York  
Listen to the Welsh kid talk  
Just like in the good old days  
The good old days

Radio announcer: Do you really think Iranian terrorists would have taken American hostage if Ronald Reagan were president?  
Do you really think the Russians would have invaded Afghanistan if Ronald Reagan were president?  
Do you really think third-rate military dictators would laugh at America and burn our flag in contempt if Ronald Reagan were president?

Concerned Citizen: Well it might work!

Hostage: We as a group do most importantly want to beseech President Reagan and our fellow Americans to refrain of any form of military or violent means as an attempt, no matter how noble or heroic, to secure our freedom.

Concerned Citizen: Sure! Only it's going to be mighty dangerous for you, Cassidy

Hoppy's faithful sidekick guess you don't know Hopalong Cassidy, Mister. Adventure's his bread, excitement's his butter and danger, why to him that's like strawberry jam to top it off.

Jim: This is some live rock and roll at KAOS, where rock and roll comes out of chaos and song called "The Powers that Be"...
