

The Ballad Of Jean Charles De Menezes

Roger Waters

All in all it's just another brick in the wall
All in all you're just another brick in the wall
Just another blunder
Just another lousy call
Just another clap of thunder
And apologies ring hollow
From the guilty in Whitehall

And there's no hint of sorrow
Just the whitewash on the wall
Just one man dead
And nothing is gained
Nothing at all
And Jean Charles de Menezes remains
Just another brick in the wall
