

# You Are My Miracle

Roger Whittaker

You are my nights,  
You are my days,  
You are my miracle,  
In so many ways.

You give me hope,  
You carry on,  
You are my miracle,  
For you make me strong.

The wonder of the love  
To feel and to share,  
Does ev'ry lover feel as I do?

How happy when we meet,  
How tearful when we part,  
To feel the joy and pain as I do.

You are my nights,  
You are my days,  
You are my miracle,  
In so many ways.

You give me hope,  
You carry on,  
You are my miracle,  
For you make me strong.

If I could have a wish,  
I'd wish for everyone,  
I'd wish that all could feel as I do.

I'd give to every heart,  
The miracle of love,  
To know the joy of life as I do.

You are my nights,  
You are my days,  
You are my miracle,  
In so many ways.

You give me hope,  
You carry on,  
You are my miracle,  
For you make me strong.

You are my nights,  
You are my days,  
You are my miracle,  
In so many ways.

You give me hope,  
You carry on,  
You are my miracle,  
For you make me strong.
