Thrill seekers  
Thrill seekers

Oh you better beware  
Oh you better beware  
Oh, oh, oh, oh ,oh

Young people around the world  
There's a message I have for you  
Everywhere around the world  
There's a killer waiting for you  
Beware, beware  
You know the pusher is waiting for you

Thrill seekers  
Thrill seekers

Little one with your eyes so bright  
It's so hard to choose right  
You won't refuse with all your might  
You don't have to be polite  
Just say no, just say no

Thrill seekers  
Thrill seekers

Tellin' you now  
Tellin' you now  
Tellin' you now  
Say no to the thrill seekers

Beware  
Say no to the thrill seeker

Beware

Everyone around the world  
We're in the middle of a youth massacre  
We just can't let that occur  
Just say no to the thrill seeker  
Just say no, no, no, no  
Run for your life

Thrill seekers  
Thrill seekers

Oh you better beware  
Oh you better beware  
Tellin' you now  
You better say no to the thrill seeker  
Tellin' you now  
You better say no to the thrill seeker

Say no, fight for your life

Thrill seekers  
Thrill seekers

Just say no  
Just say no to the thrill seekers  
Just say no  
Just say no

Just say no  
Just say no to the thrill seekers  
Just say no  
Just say no
