

## Childlike

Rogue Traders

It seems you make me feel quite childlike  
You bring out something that seemed long gone  
Cause every time that you're around  
I forget to come back down

It's like I've never seen this before  
It's like a wave that's rushing to shore  
And every time that you're around  
I forget to come back down

I can't speak, stars at my feet  
This feeling's taking me over  
Open sky, you and I  
This feeling's taken me

Could you be something I imagined  
My definition of perfection  
Cause every time that you're around  
I forget to come back down

Every time that you're around  
I forget to come back down  
Every time that you're around  
I forget to come back down
