

Rescue Me

Rogue Traders

Since you've gone
I just can't get to sleep
Lying awake lying awake
Lying awake
all alone.

Do you know I care
If you saw me you would know
Do you know
I care about you still ? please?

Rescue me
Tonight I am calling
Dangerously I might
Keep on falling.

So you win
My life is upside down
Love me again
Love me again
Love me again
forever.

Feel you love inside of me
Common sense has made me see
That you are the only one
In this world to show me love.
