

Take You Down

Rogue Traders

The way you move your body, thinkin' everybody's watchin'
The way you're throwin' looks like you're elite, and I love it
Na-na-na-na-na-na-na-na-na-na
I'll take you, I'll take you down

Can't stop lookin' at that one over there
Actin' like you threw a million dollars in the air
Hey, hey, you feel okay?
This the kinda character you want to portray
'Cause I'll take you down, I'll take you down

No hands on my body, no way-ay-ay-ay
But there is just somethin' to say-ay-ay-ay
You're too loud on the floor
Read my lips if you want more

The way you move your body, thinkin' everybody's watchin'
Na-na-na-na-na-na-na-na-na-na
I'll take you, I'll take you down
The way you're throwin' looks like you're elite, and I love it
Na-na-na-na-na-na-na-na-na-na
I'll take you, I'll take you down

Lookin' at me thinkin' I'd never clap back
Ain't you ever seen a lying car in a mousetrap?
Hey, hey, it's okay
Yeah, I'm ahead, you're just gettin' in the way
I'll take you down, I'll take you down

No hands on my body, no way-ay-ay-ay
But there is just somethin' to say-ay-ay-ay
You're too loud on the floor (Too loud)
Read my lips if you want more

The way you move your body, thinkin' everybody's watchin'
Na-na-na-na-na-na-na-na-na-na
I'll take you, I'll take you down
The way you're throwin' looks like you're elite, and I love it
Na-na-na-na-na-na-na-na-na-na
I'll take you, I'll take you down
The way you move your body, thinkin' everybody's watchin'
Na-na-na-na-na-na-na-na-na-na
I'll take you, I'll take you down
The way you're throwin' looks like you're elite, and I love it
Na-na-na-na-na-na-na-na-na-na
'Cause I'll take you down, I'll take you down

Woah, be close to me (Yeah, yeah)
Woah (Yeah), be close to me

I'll take you down, I'll take you down
I'll take you down, I'll take you down
I'll take you down, I'll take you, yeah
I'll take you down, I'll take you down
