

Falling

Rogue Wave

Serious as a heart attack
And not slowing down
You become the bones of life
When I'm turned out

Cause I'm falling
I'm falling

We live in an era when
Everything's for sale
A lifelong commodity
In someone else

And I'm falling
I'm falling

Well you don't have to be known
You don't have to be known
Whatever it is I should have shown
You don't have to be known

We could find an open space
With a golden door
Is baby gonna tickle ivory
Like before

And I'm falling
I'm falling
I'm falling
I'm falling
