

That ol' magic's back
A warm feeling flooding
A new age of love
An incandescent joy
There's good reason why it
Defies reason, let it
Be silly season, darling
All year around

Coo, cooing

Just don't, don't do it
Never, never try it
Oh dear, we sparked a riot

Embrace your inner child
Go buck wild
It ain't a liability
The way you look at me

I hear a cooing
Sweet lover cooing
Coo

I hear a coo coo
I hear a cooing
Sweet lover coo coo
Coo
Coo coo, coo, coo, coo
Coo coo, coo coo
I hear a coo coo
I hear a cooing
Sweet lover coo coo
Coo
Coo coo, coo, coo, coo
Coo coo, coo coo

This thing is way beyond any kind of parody
It'd been a driving force behind a life's work
To funkify
(Ain't it funky?)

Embrace your inner child
Go buck wild
It ain't a liability
The way you look at me

I hear a cooing
Sweet lover cooing
Coo

I hear a cooing

Coo coo
I hear a cooing
Sweet lover coo
(I hear a cooing

Sweet lover cooing
I hear a cooing)

I hear a coo coo
I hear a cooing
Sweet lover coo coo
Coo
Coo coo, coo, coo, coo
Coo coo, coo coo
I hear a coo coo
I hear a cooing
Sweet lover coo coo
Coo
Coo coo, coo, coo
Coo coo

If you show a playful willingness
I would, yeah, be more than amenable
To comply, to some
Playful silliness
If you just name the time

So I go on and on and so sincere
I hear a cooing
Sweet lover cooing
I hear a cooing
Coo coo
Coo

I hear a coo coo
I hear a cooing
Sweet lover coo coo
Coo
Coo coo, coo, coo
Coo coo, coo coo
I hear a coo coo
I hear a cooing
Sweet lover coo coo
Coo coo, coo, coo, coo
Coo coo, coo coo

Coo, coo, coo
Coo, coo, coo
Coo, coo
