

# Hairless Toys (Gotta Hurt)

Róisín Murphy

That's got to hurt  
Won't you admit  
There were injustices  
Along the way

That's got to hurt  
How ever poignantly  
Don't let them laugh at me  
Or laugh at you

That's got to hurt  
These things you should tell  
Why should you justify?  
hmmmmmmmm

That's got to hurt  
You handled it perfectly  
But I see the hurting,  
Dear, in your eyes

That's got to hurt  
Won't you admit  
There were injustices

That's got to hurt  
How ever poignantly  
Won't let them laugh at me  
You're ever you

Can I say I'm sorry if I have  
Spoken out of turn  
Reckless  
Feckless  
Careless talk

That's got to hurt  
Won't you admit  
There were injustices  
Along the way  
That's got to hurt  
How ever poignantly  
Don't let them laugh at me  
Or laugh at you

That's got to hurt  
Things you should tell to me  
Why should you justify  
Deep down inside

That's got to hurt  
You handled it perfectly  
The fact that your hurting me  
Comes no surprise  
That's got to hurt.

Don't be offended  
It was not my intention

Or to put you down  
Your shoulder, always  
will be there to cry on  
It's got to hurt.

Can I say I'm sorry if I have  
Spoken out of turn  
(Please forgive it)  
Reckless  
(I regret it)  
Feckless  
(Should have never ever said It)  
Careless talk
