

Ruby Blue

Róisín Murphy

You'd better stop
And try to think
Look what you're doing
Oh, Ruby

You never get to give it all you got
Cause you forgot to take it to the top
Oh Ruby Blue

Why do you make a start
With no means to go on
It's on the tip of your
Ruby, we used to love you truly
You used to make us laugh
It really was a gas
But now you're a bore

One
Two
Three
But now you're a bore

It was you
And them
And me
Look what you do
Oh, Ruby Blue

Check yourself
Do you get me
Do you get me
Do you get me
Do you get me
Do you get me

You'd better stop
And try to think
Look what you're doing
Oh, Ruby

You never get to give it all you've got
Cause you forgot to take it to the top
Oh, Ruby Blue

Nobody cares anyway
If you play the painted lady
Four and more
Five and six
Who would have believed
It would come to this
Look what you do
Oh, Ruby Blue

Check yourself

You'd better stop
And try to think

Look what you're doing
Oh, Ruby

You never get to
Give it all you've got cause you forgot
To take it to the top
Oh Ruby Blue

One
Two
Three
Look what you're doing
Oh Ruby
Nobody's there anyway
It was you
And them
And me

Look what you do
Oh, Ruby Blue
