

Two Headed Dog

Roky Erickson

Two-headed dog, two headed dog
I've been working in the Kremlin
With a two-headed dog

Two-headed dog, two headed dog
I've been working in the Kremlin
With a two-headed dog

Peace brought back, bought back
Relaxed be nyet brought back
Did you dry her out
Wind her out like jerky?
To me she's healed, don't attack

Two-headed dog, two headed dog
I've been working in the Kremlin
With a two-headed dog

Two-headed dog, two headed dog
I've been working in the Kremlin
With a two-headed dog

Children nailed to the cross
Pain does not look our hell
Certainly is not a spell
Sweet waste from a well

Two-headed dog, two headed dog
I've been working in the Kremlin
With a two-headed dog

Two-headed dog, two headed dog
I've been working in the Kremlin
With a two-headed dog

Winds quiet in the night
Her body just blows messiah
Sickening sweet sight left and right
Is all right does not please my appetite

Two-headed dog, two headed dog
I've been working in the Kremlin
With a two-headed dog

Two-headed dog, two headed dog
I've been working in the Kremlin
With a two-headed dog

Two-headed dog, two headed dog
I've been working in the Kremlin
With a two-headed dog

Two-headed dog, two headed dog
I've been working in the Kremlin
With a two-headed dog
