Rolo Tomassi

This creation of doubt won't
Hold back

Lulled by safety lured into these acts
Caught and suffocated but
Refusing to expand from that
Passionate
Seared into the past
Unavoidable, laid bare to
Caution

There is no forgiveness here

You'll find it's not all what it
Seems
So pinch to feel the pain
Clawing for a sweet escape
Until I feel again

You'll find it's not all what it
Seems
So pinch to feel the pain
Blessed to feel the sweet
Escape
Until I fall again

One waste to cause wreckage
Nothing can restore
But will I ever overcome all
That has gone before?

You'll find it's not all what it
Seems
So pinch to feel the pain
Clawing for a sweet scape
Until I feel again

You'll find it's not all what it
Seems
So pinch to feel the pain
Blessed to feel the sweet
Escape
Until I'm born again
