

# Fantasize

Romain Virgo

Ooh ooh ooh, yeah  
Ooh ooh ooh ooh, baby

Every time I close my eyes  
And I start to fantasize  
Girl, I see you in my head, baby  
And when I finally realise  
That you with some other guy  
So many tears that I've shed

'Cause in my dreams I see you  
I hold and I feel you  
Over me, baby, all over me, baby  
'Cause in my dreams you tell me  
That you're going crazy  
Over me, baby, all over me, baby

And every morning when I rise  
Girl, I look to see your face  
There beside me, in my bed, baby  
I ain't telling you no lie  
I can see you look surprise  
Baby, please, hear what I say

'Cause in my dreams I see you  
I hold and I feel you  
Over me, baby, all over me, baby  
'Cause in my dreams you tell me  
That you're going crazy  
Over me, baby, all over me, baby

Ooh ooh ooh oooh, yes  
Ooh ooh ooh oooh, baby  
Ooh ooh ooh oooh, yes, yes  
Ooh ooh ooh oooh, baby

Every time I close my eyes  
And I start to fantasize  
Girl, you're all I see in my head, baby  
And when I finally realise  
That you with some other guy  
So many tears that I've shed

'Cause in my dreams I see you  
I hold and I feel you  
Over me, baby, all over me, baby  
'Cause in my dreams you tell me  
That you're going crazy  
Over me, baby, all over me, baby

In my dreams I see you  
I hold and I feel you  
Over me, baby, all over me, baby  
And in my dreams you tell me  
That you're going crazy  
Over me, baby, all over me, baby

Ooh ooh ooh oooh, yes  
Ooh ooh ooh oooh, baby, oh  
Ooh ooh ooh oooh, yeah  
Ooh ooh ooh oooh
