

In This Together

Romain Virgo

Baby it's alright just as long as you're near
Baby it's okay just as long as you say

We're in this together
Love me forever
Ain't no pulling out
Just love me for life
Through sickness or health
Poverty or wealth
Ain't no pulling out
Just love me for life
Say you'd be my wife

'Cause I would rather to be in this bed all alone
Than to give my love to someone who don't deserve it
Your love is saving to cure all the way
Just let me hear you say

We're in this together
Love me forever
Ain't no pulling out
Just love me for life
Through sickness or health
Poverty or wealth
Ain't no pulling out
Just love me for life
Say you'd be my wife

I would feel helpless and hopeless inside
Life would mean nothing if I didn't have you
So put your hand in mine and let's take this ride
And watch our hearts collide

'Cause we're in this together
Love me forever
Ain't no pulling out
Just love me for life
Through sickness or health
Poverty or wealth
Ain't no pulling out
Just love me for life
Say you'd be my wife

My wife
Ooh, my wife
My wife, my wife
My wife
Ooh, baby
My wife, oh yeah

We're in this together
Love me forever
Ain't no pulling out
Just love me for life
Through sickness or health
Poverty or wealth
Ain't no pulling out

Just love me for life

We're in this together

Love me forever

Ain't no pulling out

Just love me for life

Through sickness or health

Poverty or wealth

Ain't no pulling out

Just love me for life

Say you love me

It's okay just as long as you're near

Baby, it's alright, as long as you say

Say you love me
